WELCOME

OakleyStone Northern Ltd. Based in Newcastle-upon-Tyne, is an extremely successful, family-run business, specialising in the design and construction of cast stone ornaments.

As a leading British manufacturer, we produce a wide and varied range of ornate stoneware; such as, large urns and bird baths, to funky Buddha's, cute animals and gargoyles. Each and everyone of our bespoke stoneware pieces are produced to an exceptionally high standard and will be sure to brighten up your garden year after year.

Established for over nineteen years, we work closely with a broad range of trade clients throughout the U.K and further afield; including, but not limited to, wholesalers, antique centres, reclamation yards and retail garden outlets. Our excellent range of garden ornaments, in a variety of unique styles and materials, will be sure to charm and captivate the imagination.
